*Saturday, April 13, 4-9 p.m.*

**TO:** Galleries, Studios & Arts Friends!

- Spring ArtScene 2019 will continue to be a visual arts “gallery tour” coordinated by the Rockford Area Arts Council, and open to any gallery, studio, or commercial establishment which agrees to exhibit original visual art.
- All participants are encouraged to be open during the established hours. If you are not able to be open both days, please note that on your application. We will be offering extended hours of 10 p.m. to those participants who wish to be open until that time. (please note on your application).
- Participants are urged to publicize their own exhibits, using the ArtScene logo, as a means to increase audiences, in addition to the Arts Council’s advertising and publicity efforts. Logo will be emailed upon request.
- We encourage you to have added performances to your ArtScene event as several venues have noted increased attendance. If you are interested in doing that and need assistance connecting with performing artists, please contact us.
